PAR takes orders for legislative guide

The Public Affairs Research Council of Louisiana, better known as PAR, is now accepting orders for its Guide to the 2010 Louisiana Legislature. The Guide is a pocket-sized booklet with information about Louisiana's legislators, state elected officials and agencies.

PAR President Jim Brandt said the new legislative guide will be available in March but people can reserve copies.

Copies can be ordered for \$10 plus tax each. Price breaks are available for large orders.
