AROUND THE CAPITOL: Legislative guide released

The Public Affairs Research Council has released its annual "Guide to the 2010 Legislature," a pocket-sized 102-page booklet with brief biographical data on lawmakers, their committee assignments, their terms in office and general information about the operations of the Legislature. The booklet also contains information about other state officials and agencies. "The guide is a user-friendly and practical tool for any citizen who interacts with government," PAR President Jim Brandt said. The booklets cost \$10 each but "substantial price breaks" are available for large orders, Brandt said. Orders can be placed by mailing a completed order to P.O. Box 14776, Baton Rouge, LA, 70898-4776, faxing a form to 225.926.8417 or e-mailing orders to connie@la-par.org. The order form is available at <http://la-par.org/Publications/PDF/2010GuideOrderForm.pdf>.
